

# RAHBAR 300 Scholarship for 2025-2028

<https://scholar.biharanjuman.org/> Or <https://scholars.biharanjuman.org/>

**BE AN AGENT OF CHANGE, THIS RAMADAN ...  
YOUR RS. 3,500/- PER MONTH WOULD CHANGE  
THE STATUS OF THE COMMUNITY**

**Sponsor a Diploma Engg. / Paramedical [3 years course] in  
Govt. & Private colleges student's living expenses. Send your  
pledge/ commitment to [scholars@biharanjuman.org](mailto:scholars@biharanjuman.org)**

**250 students to be sponsored this year [poorest  
group, all from Govt. schools of Bihar & Jharkhand  
– they constitute more than 90% of school-going  
Muslim students; we helped them pass 10th board  
exam in Rahbar coaching Centres  
(<http://coaching.biharanjuman.org/>)**

**Be part of this revolutionary concept of  
bringing the left-overs of the community (more  
than 90%) into the educational mainstream.**

**How many students would you like to sponsor,  
and earn sadaqa-jariya forever? Send your pledge/  
commitment to [scholars@biharanjuman.org](mailto:scholars@biharanjuman.org)**

# YOU ARE ABOUT TO CHANGE THE ECONOMIC CONDITION OF A FEW FAMILIES, IN-SHA ALLAH.

ADMISSIONS ARRANGED FOR 250 POOR STUDENTS (SEATS RESERVED IN PLOYTECHNIC COLLEGES) - ADMISSION FEES & EXAMS FEES ARRANGED ALREADY FOR PRIVATE COLLEGES [2025-2028]; GOVT. FEES ARE ONLY MINIMAL.

## 2025 Mission: 300 New Scholarships

Just Rs. 3,500 monthly to Empower a Generation

Striving towards educational and socio-economic empowerment of Muslims

- Sponsor a Dip/ Degree Engg (3 years)/ Paramed (1 yr. to 3 yrs.) student's full expenses [in Govt. and Pvt. colleges] @ Rs. 3,500 monthly (AED 148 only)
- Admissions arranged for these poor students - admission fees & exams fees arranged already in private colleges [2025-2028]
- Admission to these courses is to be completed by August 2025; need your commitment (and blessings), now. First requirement: before May-July 2025
- These govt. school students (from extremely poor background) just passed their 10th board exam, alhamdulillah.
- They have been coached by Bihar Anjuman's RAHBAR Coaching Centres (8th grade to 10th grade)

[scholars@biharanjuman.org](mailto:scholars@biharanjuman.org)

Your Contribution reaches the student 100%  
No Middlemen; No NGO; You Send Directly

## Why diploma Engg/ Parmedical after 10<sup>th</sup>

Striving towards educational and socio-economic empowerment of Muslims

Shortest Route to decent employment, and earning (can take care of younger siblings)

**Increase Muslim share (now, 0.4%) in technical workforce - contribute to Country's Tech Power**

- Technical education is the first baby-step towards acquisition of technology, next step being an edge in business acquisition.
- Economic empowerment leads to Political Empowerment

**ba** bihar anjuman

Nurturing a culture of mutual respect

[www.biharanjuman.org](http://www.biharanjuman.org)

ADMISSIONS ARE TO BE FINALIZED IN JULY-AUGUST 2025; NEED YOUR COMMITMENT (AND BLESSINGS) – FIRST INSTALLMENT TO BE SENT AFTER RAMADAN. 2<sup>ND</sup> INSTALLMENT IN NOVEMBER/ DECEMBER 2025.

THESE GOVT. SCHOOL STUDENTS (FROM EXTREMELY POOR ECONOMIC BACKGROUND) HAVE JUST PASSED THEIR 10<sup>TH</sup> BOARD EXAM IN FLYING COLOURS.

THEY HAVE RECEIVED COACHING IN BIHAR ANJUMAN'S RAHBAR COACHING

CENTRES (<http://coaching.biharanjuman.org/>) (8th grade to 10th grade) - only government school students receive coaching, here, on first-come-first-served basis (without any merit)

test) – those who might otherwise have been thrown out of the educational mainstream, into possibly unlawful areas of activities or exploited cheap & easy by politicians. You are about to save many families from their poverty cycle.

Unfortunately, most of the muslim social groups miss out the vital point raised by us for long, regarding the cause of the percentage muslim representation in civil services, judiciary and other government jobs (or higher education) - remaining stagnant at 2.5 to 3. It's important to ask once again what we have always asked.

## Where's the raw material?

And, unless we find the remedy for the real problem, the raw material, we would be actually doing only cosmetic make-over, no more.

- **Coaching Graduates (4%) for IAS/ Civil Services/ Banking Officers/ Public Sector Jobs?**
- **Coaching Graduates (4%) for State Govt other jobs?**
- **Where is the Raw Material (4% is what we have at Graduate Level)?**
- **Largest Number of Muslim Children: Where?**
  - ❖ **Below 10<sup>th</sup>, in Govt. Schools (Just 7.5% Beyond 10<sup>th</sup>)**
  - ❖ **We must push them up from below 10<sup>th</sup> level, rather than grooming just the 4% graduates**

Where's the raw material? Sachar Committee report says we are only 4% among the Indian graduates. So, isn't the 3% in UPSC an excellent share? It also shows that the %age applying for the coveted service is also very good.

**So, basically the intervention of NGOs should be focused at increasing the percentage of raw material. Bihar Anjuman's intervention is just at the right level - the school.**

Let's look further deep into the problem.

A high level committee formed to suggest measures to improve conditions of muslims after release of Sachar Committee report says 94.5% of Muslims are actually below poverty line. Which schools can these families send their wards to?

To government schools where no teaching takes place. So, if we see 4% graduates, we shouldn't be surprised at all. Right? So, please hold ur breath for a while, and now try to see where we must intervene.

Bihar Anjuman has been coaching the govt school children of 8th, 9th, and 10th grades so that the pass percent of this 94.5 % at 10th board level could rise. The only criterion of selection in these Rahbar Coaching Centres is the enrollment of a student in govt school - this is clear proof of his being from a BPL family.

Unless we prescribe the medicine for the right disease, we might be wasting our energy and resources by deploying them in cosmetic maneuvers.

After coaching for 8th, 9th, and 10th grades, the pass-outs of 10th board from Rahbar Coaching Centres, are further coached to be eligible for admissions to diploma engineering - the shortest route

to respectable employment. Join us in the mission, to raise the status of India muslim community, as a whole.

With Allah's blessings and your support, Bihar Anjuman helps to educate poorest of the poor boys and girls through RAHBAR Coaching Centers. For the students who have passed 10<sup>th</sup> board exams of Bihar & Jharkhand, in 2025, we have the ambitious plan for this year, which has been devised because of track record of your support in the past years.

	Boys (MANUU) per year (Rs.)	GIRLS (MANUU) per year Rs.	Boys and Girls in Private Polytechnics (Rs.)
<b>Semester Fees</b>	4,700 x 2	4,700 x 2	----
<b>Monthly Expenses</b>	3,500 x 12	2,000 (Mess) + 500 = 2,500 x 12	3,500 x 12
<b>Hostel Fees (annual)</b>	---	7,100	Included
<b>Caution Money (Mess), Refundable</b>	---	1,500	----
<b>Total per year</b>	<b>51,400 [Pay in 3 or 4 installments]</b>	<b>48,000 (1<sup>st</sup> year) and 46,500 in 2<sup>nd</sup> and 3<sup>rd</sup> year [Pay in 3 or 4 installments]</b>	<b>42,000 [Pay in 3 installments of 14,000 each]</b>

### **Plan #A (Students in Private Polytechnics – admission arranged by Bihar Anjuman)**

**:** For the students who are not able to crack the entrance tests of govt. colleges, but who are eligible for admission in diploma engineering colleges, there is a scheme for admission in government approved private colleges. By Allah's grace, tuition fee payment to the private colleges for all the three years is already arranged. However, the only amount the colleges will charge from the students is Rs 3,500/- per month for hostel accommodation and food. Apart from this, a one-time registration fee of Rs 1,000/- shall be taken from students (to be contributed by their sponsors).

**In Plan # A**, sponsors will be required to contribute Rs 15,000/- for confirming the admission (in April-May 2025), and then an amount of Rs 14,000/- every 4 months (total Rs. 42,000/= per year) for 3 years diploma in engineering / paramedical courses in private engineering colleges. 2<sup>nd</sup> installment: directly to student (14,000/=) on 1<sup>st</sup> December 2025, 3<sup>rd</sup> installment on 1<sup>st</sup> April 2025 (completes first year). 2<sup>nd</sup> year installments would be due on 1<sup>st</sup> August 2025, 1<sup>st</sup> December 2025, 1<sup>st</sup> April 2025, and so on.

**We hereby request you to come forward and pledge for the sponsorship of one or more of the 250 students, this year – send your pledge/ commitment to [scholars@biharanjuman.org](mailto:scholars@biharanjuman.org)**

### **Plan #B (Students in Govt. Polytechnics – admission through competitive exams):**

Students who clear the entrance tests for diploma engineering courses in government colleges, and get admitted, a monthly expenditure of Rs 3,500/- shall be provided as scholarship. Admission fees in govt. polytechnic colleges are not much, for example, MANUU charges an annual fee of Rs 4,700/- per semester, which should also be paid to every student, twice a year (semester-wise). In many govt. colleges of Haryana (diploma engg & paramedical, both), all the expenses (admission, hostel, food, exam) is covered in Rs. 42,000/= per year that you send to the students.

We hereby request you to come forward and pledge for the sponsorship of one or more of the 300 students, this year – send your pledge/ commitment to [scholars@biharanjuman.org](mailto:scholars@biharanjuman.org)

Kindly pledge your support for these students – you will receive the bank account details of students you decide to sponsor (after their admission process is completed), so that you could directly transfer the scholarship amount to each of them – you may choose the frequency of transfers as per your convenience.

## Sharing some Success Stories from previous years

Hundreds of RCC students admitted to Diploma Engineering Courses, between 2010 and 2016, through the efforts of [RAHBAR Coaching Centres](#) - all of them got sponsored alhamdulillah. Last year (2024), total 280 students got admitted under this program, masha Allah.

## Transforming Zero into Hero

NON-MERITORIOUS STUDENTS OF GOVT. SCHOOLS (NO TEACHING TAKES PLACE) - THE ZEROS >> COACHING IN RCCS (8TH GRADE TO 10TH GRADE) >> ENTRANCE EXAMS OF DIPLOMA ENGG. >> DIPLOMA ENGINEERS / PARAMEDICAL >> JOBS – HEROES
